

MY CHILD CARE PHILOSOPHY AND POLICY

I promote the health, safety and well-being of children in quality care as the main concern of my childcare. **Green Pines Childcare** is dedicated to providing a warm and inviting atmosphere that allows children to develop at their own pace. We believe that children need to have a positive self-image. We foster that image, along with their developmental growth in the areas of intellectual, social, physical and emotional skills, through a variety of group activities, individual play, and quiet periods. My program makes use of many fun play and learning materials that help the children gain confidence in their abilities to do and make things. At Green Pines Childcare, we are parent-friendly. We welcome parent visits anytime, and we seriously consider all parents' suggestions and comments.

My childcare has a well structured policy adopted for my child care in line with the Childcare's philosophy.

Thank you.
